TournEvents.com Announces Free Golf Tournament Promotional Websites

SPRINGFIELD, VA--(June 25, 2003) TournEvents.com, a leading golf tournament website provider, has announced golf tournament websites will remain free of charge for golf tournament coordinators and tournament golfers.

Established in May 2001, TournEvents.com has provided golfers with individual and customizable websites to promote, organize, and manage golf tournaments.

"Golf courses are selling more tournaments by offering a free promotional website with their event packages, charity organizations are increasing donations, tournament fields are larger and built faster through the use of email invitations, and golf courses and tournament coordinators are saving time and money," said Topper Smith. "We are growing 20% each month in terms of website visits which clearly shows we have tapped into an emerging market niche within the golf industry."
