## **Golf Event Magazine and TournEvents.com Form Partnership to Provide Golf Tournament Management Web Sites**

SPRINGFIELD, VA--(October 3, 2006)? TournEvents.com and Golf Event magazine have formed a partnership to provide free golf tournament web sites for the promotion, organization, and management of golf events. Golf tournament management web sites are now available through the Golf Event magazine web site at <http://www.golfevent.com> and <http://www.golfeventmagazine.com/golfoutings.aspx>.

"Golf Event and TournEvents have worked together for the past eight months to provide full-service golf event web sites for charity and corporate outings right through the Golf Event web site," said Topper Smith of TournEvents. "We have successfully developed a web service to allow Golf Event customers to instantly receive a free, fully-functional golf tournament web site."

"In the first year, over 500 charity and corporate events have used the TournEvents golf tournament management service available on our web site," said Brad Seybert, the President of Golf Event. "Adding TournEvents drives golfers right to our site."

The TournEvents.com Web Service is available for all golf course, golf management company, golf retail, charity organization or other golf-related web sites and can be easily added to any existing web site with a single line of code.

Established in May 2001, TournEvents.com has provided thousands of free golf tournament web sites to golf courses, charity organizations, and corporate entities for the promotion, organization, and management of golf tournaments.
